THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI GIRIDHAR GOMANGO) : (a) Yes, Sir. As per provisional figures, the unutilised aid as on 31-8-1994 stands at Rs. 72.945 crores.

(b) Aid is tied to projects and is expected to be utilised over the

entire project life. However, important reasons for slow utilisation include inadequate provisioning and counterpart funding, procurement and contracting delays, start-up and other procedural delays. Out of the total unutilised aid, around one-third is accounted for by the erstwhile USSR.

(c) and (d) Steps taken by the Government to improve aid utilisation include release of additional Central Assistance as 100% additionality, release of advance Additional Central, Assistance to States, ensuring adequate provisioning for externally aided projects, standardisation of bidding documents and streamlining of procurement procedure, disintermediating on flow of external aid to Central Public Sector Enterprises and portfolio rationalisation.

(e) to (g) Since foreign aid is generally project-tied it is given for a specific purpose or project.
